

ОАО «Гомельхлебпром» Хлеб родного города

Open joint stock company «Gomelhlebprom» - is the largest producer of bakery and confectionery products in the Gomel Region.

The Company produces approximately 300 types of bakery products and over 100 types of confectionery products daily.

Today, the Company's production facilities include two production facilities in Gomel and six subsidiary bakeries located in cities throughout the Gomel Region.

We have been successfully operating in the Russian and Israeli markets for over 10 years, producing frozen bakery products and semi-finished products. We also sell confectionery products with a long shelf life.
